# Specifications

Type Of Boat	Recreational Motorboat
Construction	GRP, PVC Composite
Hull Type	Hard Chined, Deep V
Designer	Yigit Akbarlas
Builder	Kizilkayan Yachts Ltd
Length Overall	10.80 m
Length WaterLine	9,15 m
Moulded Beam	3,40 m
Drought (max)	1,10 m (Incl. Propeller)
Weight	7,500 Kg (HalfLoaded)
Fuel Capacity	500 Lts
Water Capacity	350 Lts
Waste Water Capacity	2 x 160 Lts

Electric System	12VDC and 220VAC / 110VAC
Propulsion Options	Inboard Diesel, V-Drive Shaft Inboard Diesel, Stern Drive Outboard, Gasoline
Accomodation	Front Cabin with Twin Bed Mid Cabin with Twin Bed WC-Shower Saloon with Adjustable Table Helm Station Galley with Cooktop Aft Deck with L Shape Seating Front Deck with SunBeds
Certification	Category "B" - 6 Passenger

HULL and DECK

GRP hull: Hand Laminated with PVC sandwich construction,  
ISO NPG Gelcoat, Color: RAL 1013, 1st layer vinyl ester resin  
Antifouling – INTERNATIONAL AkzoNobel (Black)  
Bow Anchor Roller Stainless Steel AISI 316  
Anchor/Chain locker, self-draining  
Foredeck Hatch for storage of Anchor & Chain  
Deck, Anti-slip Pattern Side and Front Deck  
Fixed Fender – Aluminum Profile with Black Rubber  
Stainless Steel Tank Inlets for Fuel and Water  
Holding Tank - deck outlet on transom, Stainless Steel AISI 316  
Anchor, Stainless Steel AISI 316, Delta 15 kg  
Chain, 80 m of Galvanized 8 mm Dia  
Navigation Mast with Navigation Lights, Full set  
Stainless Steel Handrails  
Deck hardware Stainless Steel AISI 316  
4 x Mooring Cleats Stainless Steel AISI 316  
Escape Hatch for Master Cabin (Aluminum Framed)  
Three-piece Laminated Windscreen

AFT DECK and BATHING PLATFORM

Engine room access with gas spring cylinders (2) and lock  
Flag pole, Stainless steel AISI 316  
Fuel shut-off valves  
Gas bottle locker with drain  
Handrails in stainless steel  
Cockpit Lighting  
Remote battery switches  
Seating, L-shaped sofa  
Storage lockers (2)  
Bathing Platform, self-draining  
Bathing Ladder, Stainless Steel  
Transom Door, Stainless Steel AISI 316  
Sliding glass door to salon (Aluminum Framed)

GALLEY

Varnished furniture gallery with PVC based cooktop (SAMSUNG)  
Cutlery drawer and tableware storage  
Galley working top  
Recess for the fridge  
Lighting, overhead LED  
1 Sink, PVC based with mixer taps  
Socket, 230 VAC  
Storage cupboards

DAY HEAD WC

Hand basin with mixer tap  
Lighting, overhead LED (2)  
Shaver socket (230 VAC)  
Shower drain with automatic pump  
Toilet, manual  
Frosted portlight, opening with Blind  
Towel rail, Robe hook, Cup and toilet roll holders  
Shower seat, Shelf, Storage Cuplboard  
Non slip GRP  
Vanity unit above sink with mirror

SALOON

Surround tempered safety colored windows  
Sockets, 230 VAC  
Socket, 12 VDC + USB  
Storage lockers  
Lighting, overhead (LED)  
Seating (2 +2) to port  
Height adjustable table Convertible to occasional bed

FORWARD CABIN

Berth, double with storage under bed  
Deck hatch, opening  
Lighting overhead and Reading Lights (x2), LED  
Shelves  
Portholes (2)  
Socket, 230 VAC, 12VDC + USB  
Wardrobe to port and starboard

AFT CABIN

Berth double  
Lighting overhead and Reading Lights (x2), LED  
Porthole, (1) opening  
Socket, 230 VAC, 12VDC + USB  
Wardrobe to port  
Shelves

DECORATION

Carpet flooring - from selection / color card  
Upholstery seating /Cushions & Carpet – from selection / color  
Companionway steps with safety treads, Varnished Teak, Removable  
Door frames, in wood  
Furniture finished in Teak Veneer marine grade plywood, Varnished  
Dash, matt finish, Satin Varnished  
Mattresses - Standard mattresses in all cabins

HELM STATION

Compass  
Dashboard with ER firefighting system Automatic and Manual Activated  
Electrical control panel for 220 VAC and 12 VDC circuits  
Steering wheel, fixed angle, ULTRAFLEX 400mm Dia  
Hydraulic Steering System, ULTRAFLEX  
Engine instrumentation and Controls  
Fuel / Water / Black and Grey Water Gauges  
Footrest at helm Stainless Steel AISI 316  
Helm seat with storage underneath - Flip-Up Captain Chair  
Rudder angle indicator  
Socket, 12 VDC  
Windshield Wipers x 3

ELECTRICAL

AC system, 230 VAC with 230 VAC shore power connection  
Batteries - Domestic 2 x 200 Ah  
Batteries for engine 1 x 200 Ah with emergency link switch  
Battery charger, VICTRON 12/80 Amps  
Remote battery switches  
DC system, 12 VDC  
Fresh Water pump 12 VDC  
Black and GreyWater Macerators 12 VDC  
Fuel, Water, Black and Grey Water Gauges  
Windscreen wiper (3) 12 VDC with Screen wash  
Electric Horn  
Plugs - USB 12 VDC and 220 VAC)  
Smoke Detectors (CO detectors in each cabin space)  
Internal / External Lighting LED, 12 VDC  
Trim flaps (12 VDC)

MECHANICAL

Bilge pumps: automatic electric (3), 12 VDC 2000 GPH  
Manual emergency bilge pump  
Engine room with heat and sound insulation  
Engine room fans / Ventilation  
Engine room light (2) LED  
Fuel Tanks  
Water Tank  
Black Water Tank  
GreyWater Tank  
Fuel filter for engine (Water/fuel filter/separator)  
Hydraulic Steering System ULTRAFLEX  
PPR Sanitary system (piping and fittings for water system)
